S.No	Product Code	Pipe Material	Pipe dia	Pipe Length	Clamp Size	Bolt & Nut
1	A'HDG/CPE503	HDGI	48mm	3000mm	25X3X300mm	8X30mm GI

### Features and benefits

- Plate - 99.9% electrolytic pure copper / Hot dip galvanized as per IS 2629
- Plate - Provided with Blunt edges for easy handling during logistics
- Hot dip galvanized Pipe, Funnel and Clamps to reduce the effect of corrosion on the earthing system
- SS Bolts & Nuts are used to enhance the life and to provide electrical continuity.

### Conventional Earth Enhancing Compound

Product description	Weight
Salt	30/50 Kg
Charcoal	30/50 Kg
